

FOR IMMEDIATE RELEASE:

Frederick's of Hollywood Announces a 3.3% Increase in November Comparable Store Sales

Hollywood, CA (December 1, 2011)—Frederick's of Hollywood Group Inc. (NYSE Amex: FOH) ("Company") announced today that its comparable store sales for the four weeks ended November 26, 2011 increased 3.3% compared to the four weeks ended November 27, 2010. The Company reported a comparable store sales increase of 5.0% for the 17 weeks ended November 26, 2011, compared to the 17 weeks ended November 27, 2010.

"We experienced improved comparable store sales year-over-year in November as we move forward with our strategic initiatives primarily focused on increasing sales and profitability. Our entire team is working toward achieving this goal as we enter the holiday season, our busiest time of the year," stated Thomas Lynch, the Company's Chairman and Chief Executive Officer.

Forward Looking Statement

Certain of the matters set forth in this press release are forward-looking and involve a number of risks and uncertainties. These statements are based on management's current expectations or beliefs. Actual results may vary materially from those expressed or implied by the statements herein. Among the factors that could cause actual results to differ materially are the following: competition; business conditions and industry growth; rapidly changing consumer preferences and trends; general economic conditions; working capital needs; continued compliance with government regulations; loss of key personnel; labor practices; product development; management of growth, increases in costs of operations or inability to meet efficiency or cost reduction objectives; timing of orders and deliveries of products; risks of doing business abroad; the ability to protect our intellectual property; and the other risks that are described from time to time in the Company's SEC reports. The Company is under no obligation to, and expressly disclaims any obligation to, update or alter its forward-looking statements, whether as a result of new information, future events, changes in assumptions or otherwise.
