FREDERICK'S OF HOLLYWOOD GROUP INC.

PROXY STATEMENT

GENERAL INFORMATION

This proxy statement and the enclosed proxy card are furnished in connection with the solicitation of proxies by the board of directors of Frederick's of Hollywood Group Inc., a New York corporation, for use at the Annual Meeting of Shareholders to be held at 10:00 a.m. Eastern Time on Wednesday, April 22, 2009, at Club 101 on the Main Floor at 101 Park Avenue, New York, New York.

This proxy statement and the enclosed proxy card, together with the Annual Report to Shareholders for the fiscal year ended July 26, 2008 ("annual report"), are first being mailed on or about March 17, 2009, to shareholders of record on March 6, 2009.

On January 28, 2008, we consummated a merger with FOH Holdings, Inc., a privately-held Delaware corporation ("FOH Holdings"). As a result of the transaction, FOH Holdings became our wholly-owned subsidiary. FOH Holdings is the parent company of Frederick's of Hollywood, Inc. Upon consummation of the merger, we changed our name from Movie Star, Inc. to Frederick's of Hollywood Group Inc.

Unless otherwise indicated, as used in this proxy statement:

- "Movie Star, Inc." or "Movie Star" refers to the business, operations and financial results of Movie Star, Inc. prior to the closing of the merger;
- "FOH Holdings" or "Frederick's of Hollywood" refers to the business, operations and financial results of FOH Holdings prior to the closing of the merger and after the merger, as the context requires; and
- the "Company," "we," "our" or "us" refers to the operations and financial results of Frederick's of Hollywood Group Inc., together with FOH Holdings, Inc. and its subsidiaries on a consolidated basis after the closing of the merger.

What matters am I voting on?

You are being asked to vote on the following matters:

- The election of nine directors to serve for the ensuing one-year period and until their successors are elected and qualified; and
- To transact such other business as may properly come before the meeting and any and all postponements or adjournments.

Who is entitled to vote?

Persons who were holders of our common stock and Series A preferred stock as of the close of business on March 6, 2009, the record date, are entitled to vote at the meeting. As of March 6, 2009, we had issued and outstanding 26,348,870 shares of common stock, par value \$0.01 per share, and 3,629,325 shares of Series A preferred stock, comprising all of our issued and outstanding voting stock.

Each holder of our common stock is entitled to one vote for each share held on the record date. Each holder of our Series A preferred stock is entitled to a number of votes per share of Series A preferred stock held on the record date equal to the number of shares of common stock into which such share of Series A preferred stock may be converted on such date. As of the record date, every 2.4 outstanding shares of Series A preferred stock was convertible into one share of common stock. Accordingly, the Series A preferred stock has aggregate voting power equivalent to 1,512,219 shares of common stock.

What is the effect of giving a proxy?

Proxies in the form enclosed are solicited by and on behalf of our board of directors. The persons named in the proxy card have been designated as proxies by our board of directors. If you sign and return the proxy card in accordance with the procedures set forth in this proxy statement, the persons designated as proxies by the board will vote your shares at the meeting as specified in your proxy card.

If you sign and return your proxy card in accordance with the procedures set forth in this proxy statement but you do not provide any instructions as to how your shares should be voted, your shares will be voted "FOR" the election of the nominees listed below under Proposal 1.

If you give your proxy, your shares also will be voted in the discretion of the proxies named on the proxy card with respect to any other matters properly brought before the meeting and any postponements or adjournments thereof. If any other matters are properly presented at the meeting for action, the persons named in the proxy card will vote the proxies in accordance with their best judgment.

May I change my vote after I return my proxy card?

Yes. Any proxy given pursuant to this solicitation may be revoked by you at any time before it is exercised. You may effectively revoke your proxy by:

- delivering written notification of your revocation to the Corporate Secretary of Frederick's of Hollywood Group Inc.;
- voting in person at the meeting; or
- delivering another proxy bearing a later date.

Please note that your attendance at the meeting will not alone serve to revoke your proxy.

What is a quorum?

A quorum is the minimum number of shares required to be present at the meeting for the meeting to be properly held under our bylaws and New York law. The presence, in person or by proxy, of a majority of the votes entitled to be cast at the meeting will constitute a quorum at the meeting. A proxy submitted by a shareholder may indicate that all or a portion of the shares represented by the proxy are not being voted ("shareholder withholding") with respect to a particular matter. Similarly, a broker may not be permitted to vote stock ("broker non-vote") held in street name on a particular matter in the absence of instructions from the beneficial owner of the stock. The shares subject to a proxy which are not being voted on a particular matter because of either shareholder withholding or broker non-vote will not be considered shares present and entitled to vote on that matter. These shares, however, may be considered present and entitled to vote on other matters and will count for purposes of determining the presence of a quorum if the shares are being voted with respect to any matter at the meeting. If the proxy indicates that the shares are not being voted on any matter at the meeting, the shares will not be counted for purposes of determining the presence of a quorum. Abstentions are voted neither "for" nor "against" a matter, but are counted in the determination of a quorum.

How many votes are needed for the election of directors?

The election of directors requires a plurality vote of the votes cast at the meeting. "Plurality" means that the individuals who receive the largest number of votes cast "FOR" are elected as directors. Consequently, any shares not voted "FOR" a particular nominee, whether as a result of a direction of the shareholder to withhold authority, abstentions or a broker non-vote, will not be counted in the nominee's favor. As there are nine directors to be elected, the nine persons receiving the highest votes will be elected if nominees other than those nominated by the board are presented.

How do I vote?

You may vote your shares in one of three ways: by mail, facsimile or in person at the meeting. The prompt return of the completed proxy card will assist us in preparing for the meeting. Complete, date, sign and return the enclosed proxy card in the envelope provided for that purpose (to which no postage needs to be affixed if mailed in the United States). You can specify your choices by marking the appropriate boxes on the proxy card. If you attend the meeting, you may deliver your completed proxy card in person or fill out and return a ballot that will be supplied

to you. If you wish to fax your proxy, please copy both the front and back of the signed proxy card and fax it to American Stock Transfer & Trust Co. at (718) 921-8355.

Do you provide electronic access to the proxy statement and annual report?

Yes. You may obtain copies of this proxy statement and our annual report for the fiscal year ended July 26, 2008 by visiting our corporate website at www.fohgroup.com and clicking the “Investor Relations” tab. Once you are in the Investor Relations section of our corporate website, you will find our proxy statement and annual report under the section heading “Annual Meeting Materials.” The contents of our website are not, and shall not be, deemed a part of this proxy statement or our annual report. **You also may obtain a copy of our annual report (without exhibits), without charge, by sending a written request to: Frederick’s of Hollywood Group Inc., 1115 Broadway, 11th Floor, New York, New York 10010, Attention: Corporate Secretary.** We will provide copies of the exhibits to the annual report, without charge, upon receipt of a written request addressed to the Corporate Secretary.

PROPOSAL 1

Election of Directors

Pursuant to our bylaws, our board of directors has set the number of directors constituting the full board at nine directors. All directors hold office until the next Annual Meeting of Shareholders and until their successors have been elected and qualified.

The election of directors requires a plurality vote of the shares of common stock present in person or represented by proxy and entitled to vote at the meeting. "Plurality" means that the individuals who receive the highest number of votes cast "FOR" election are elected as directors. Any shares not voted "FOR" a particular nominee (whether as a result of abstentions, a direction to withhold authority or a broker non-vote) will not be counted in the nominee's favor.

Unless authority is withheld, the proxies solicited by the board of directors will be voted "FOR" the election of these nominees. In case any of the nominees becomes unavailable for election to the board of directors, an event which is not anticipated, the persons named as proxies, or their substitutes, will have full discretion and authority to vote or refrain from voting for any other candidate in accordance with their judgment. The nine nominees for directors, their current positions, term of office and business background are set forth below.

Meetings and Committees of the Board of Directors

During the fiscal year ended July 26, 2008, our board of directors met eight times and acted by unanimous written consent on eight occasions. All of our directors attended the special meeting in lieu of the 2007 Annual Meeting of Shareholders. Although we do not have a formal policy regarding director attendance at annual shareholder meetings, we attempt to schedule annual meetings so that all directors can attend. In addition, we expect our directors to attend all board and committee meetings and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. No member of the board of directors attended fewer than 75% of the total number of meetings of the board and committees upon which they served during fiscal year 2008. We have standing compensation, audit and nominating and governance committees. We also have an indemnity claims committee.

Independence of Directors

As our common stock is listed on the NYSE Alternext US (formerly, the American Stock Exchange), we are subject to the rules of this exchange applicable to determining whether a director is independent. The board of directors also consults with our counsel to ensure that the board's determinations are consistent with those rules and all relevant securities and other laws and regulations regarding the independence of directors. The NYSE Alternext US listing standards define an "independent director" generally as a person, other than an officer of a company, who does not have a relationship with the company that would interfere with the director's exercise of independent judgment. The exchange requires that a majority of the board of directors of a company be independent, as determined by the board. Consistent with these considerations, the board of directors affirmatively has determined that Messrs. Eisel, Harley, Salberg, Simon and Walters are independent. The other remaining directors are not independent because they are currently our employees or consultants.

Code of Ethics

In August 2008, the board of directors adopted an amended and restated code of ethics that applies to our directors, officers and employees as well as those of our subsidiaries. The code of ethics was filed with the SEC on August 21, 2008 as Exhibit 14 to our Current Report on Form 8-K, dated August 15, 2008. Our code of ethics can be found on our corporate website at www.fohgroup.com. In addition, requests for copies of the code of ethics should be sent in writing to Frederick's of Hollywood Group Inc., 1115 Broadway, New York, New York 10010, Attention: Corporate Secretary.

Compensation Committee Information

Our compensation committee is currently comprised of Michael Salberg (chairman), Joel M. Simon and Milton J. Walters, each an independent director under the NYSE Alternext US listing standards. Rose Peabody Lynch served as chairman of the compensation committee from January 28, 2008 until her resignation effective August 1, 2008. Thomas J. Lynch served as a member of the compensation committee from January 28, 2008 and as its chairman from August 1, 2008 until his resignation in January 2009 at the time he became our Chief Executive Officer. Upon Mr. Lynch's resignation, Michael Salberg became chairman and Joel M. Simon and Milton J. Walters were appointed to serve on the compensation committee. During the fiscal year ended July 26, 2008, the compensation committee met seven times. The responsibilities of the compensation committee include:

- Establishing the general compensation policy for our executive officers, including the chief executive officer;
- Administering our equity compensation plans; and
- Determining who participates in each of these plans, establishing performance goals and target payouts, and determining specific grants and bonus awards to participants.

Indemnity Claims Committee Information

Our indemnity claims committee, which did not hold any meetings during fiscal year 2008, is currently comprised of Joel M. Simon and Milton J. Walters (co-chairmen), each an independent director under the NYSE Alternext US listing standards. The indemnity claims committee is responsible for making determinations regarding pursuing and responding to indemnification claims under the merger agreement.

Nominating and Governance Committee Information

General

Our nominating and governance committee, which held one meeting during fiscal year 2008, is currently comprised of Milton J. Walters (chairman), John L. Eisel and William F. Harley, each an independent director under the NYSE Alternext US listing standards. Thomas J. Lynch served as a member of the nominating and governance committee from January 28, 2008 until his resignation in January 2009 at the time he became our Chief Executive Officer. Upon Mr. Lynch's resignation, William F. Harley and Milton J. Walters were appointed to serve on the nominating and governance committee and Michael Salberg resigned from the committee. Milton J. Walters was also appointed to serve as chairman of this committee. The nominating and governance committee is responsible for overseeing the selection of persons to be nominated to serve on the board of directors. The nominating and governance committee considers persons identified by its members, management, shareholders, investment bankers and others. There have been no material changes to the procedures by which security holders may recommend nominees to the board.

In August 2008, the board of directors adopted an amended and restated nominating and governance committee charter, which includes guidelines for selecting nominees and a method by which shareholders may propose to the nominating committee candidates for selection as nominees for directors. Our amended and restated nominating and governance committee charter and guidelines can be found on our corporate website at www.fohgroup.com.

Guidelines for Selecting Director Nominees

The guidelines for selecting nominees generally provide that persons to be nominated should be actively engaged in business endeavors, have an understanding of financial statements, corporate budgeting and capital structure, be familiar with the requirements of a publicly traded company, be familiar with industries relevant to our business endeavors, be willing to devote significant time to the oversight duties of the board of directors of a public company, and be able to promote a diversity of views based on the person's education, experience and professional employment. The nominating and governance committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. The nominating and governance committee may require certain skills or attributes, such as financial or accounting experience, to meet specific board needs that arise from time to time. The nominating and governance committee does not distinguish among nominees recommended by shareholders and other persons.

Pursuant to a shareholders agreement that we entered into with TTG Apparel, Tokarz Investments and Fursa, these parties have agreed, until July 28, 2009, to vote their shares of common stock or direct their shares of common stock to be voted by proxy in favor of the directors who initially served on the board of directors immediately following the consummation of the merger (and their duly appointed successors) and take all necessary action to maintain that board of directors.

Procedure for Shareholders to Recommend Director Candidates

Shareholders and others who wish to recommend candidates to the nominating and governance committee for consideration as directors must submit their written recommendations to the nominating committee and include all of the information described in the section “*Shareholder Proposals and Nominations.*”

Audit Committee Information and Report

General

Our audit committee, which met six times during fiscal year 2008, consists of Joel M. Simon (chairman), John L. Eisel and Milton J. Walters, each an independent director under the NYSE Alternext US listing standards. As required by the NYSE Alternext US, our audit committee is comprised of at least three independent directors who are also “financially literate.” The NYSE Alternext US standards define “financially literate” as being able to read and understand fundamental financial statements, including a company’s balance sheet, income statement and cash flow statement.

Financial Expert on Audit Committee

We must certify to the NYSE Alternext US that the audit committee has, and will continue to have, at least one member who has past employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background that results in the individual’s financial sophistication. The board of directors has determined that Joel M. Simon satisfies the NYSE Alternext US’s definition of financial sophistication and also qualifies as an “audit committee financial expert,” as defined under the rules and regulations of the SEC.

Audit Committee Pre-Approval Policies and Procedures

In accordance with Section 10A(i) of the Securities Exchange Act of 1934, before we engage our independent registered public accounting firm to render audit or permitted non-audit services, the engagement is approved by the audit committee. The audit committee approved all of the fees referred to in the section below entitled “*Principal Accountant Fees*” for fiscal year 2008.

Changes in Auditors

General. Deloitte & Touche LLP (“Deloitte”) served as FOH Holdings’ independent registered public accounting firm for the fiscal year ended July 28, 2007 and for the partial year period from July 29, 2007 until February 26, 2008. Following the merger, Deloitte was dismissed and Mahoney Cohen & Company, CPA, P.C. (“Mahoney Cohen”), who had served as Movie Star’s independent auditors prior to the merger, was appointed by the audit committee to serve as the independent registered public accounting firm for the combined company. On January 5, 2009, we were notified that, effective December 31, 2008, the shareholders of Mahoney Cohen became shareholders of Mayer Hoffman McCann P.C. pursuant to an asset purchase agreement and that Mahoney Cohen resigned as our independent registered public accounting firm. The New York practice of Mayer Hoffman McCann P.C. now operates under the name MHM Mahoney Cohen CPAs, or MHM. In January 2009, the audit committee of our board of directors engaged MHM as our independent registered public accounting firm.

Information Regarding the Dismissal of Deloitte. During the two fiscal years ended July 28, 2007 and July 29, 2006 and through the date of the engagement of Mahoney Cohen, (i) there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure which disagreements, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreements in connection with its report, and (ii) Deloitte’s report did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope, or accounting principles, except for explanatory paragraphs relating to the retrospective adjustment to the financial statements for (a) FOH Holdings’ change in accounting method in 2006 for the change in control that occurred on March 3, 2005, to conform to Emerging Issues Task Force Topic: Push-Down Accounting, D-97, to the 2005

financial statements and (b) the historical presentation of discontinued operations for stores that closed during the prior periods presented.

Except as described below, during the two fiscal years ended July 28, 2007 and July 29, 2006 and through the date of the engagement of Mahoney Cohen, there were no “reportable events” (as described in Item 304(a)(1)(v) of Regulation S-K). The audit committee of the board of directors of FOH Holdings has discussed the material weaknesses below with Deloitte, and the Company and FOH Holdings has authorized Deloitte to respond fully to the inquiries of a successor auditor concerning the subject matter below.

In connection with Deloitte’s audit of the annual financial statements of FOH Holdings for the years ended July 28, 2007 and July 29, 2006, Deloitte advised FOH Holdings that it believed the following matters constituted material weaknesses:

Material weakness relating to the financial closing process – FOH Holdings did not perform reconciliations of significant accounts on a timely basis and did not perform an appropriate level of review to ensure accuracy in the reconciliations that were performed. Furthermore, errors were identified that resulted in both post-closing entries adjustments and uncorrected adjustments to the interim and annual financial statements. This condition resulted from a deficiency in the design and operation of internal control over financial reporting.

Material weakness relating to inadequate cut-off controls – FOH Holdings had inadequate procedures to ensure that all costs incurred during the period were properly recorded at period ends. This condition resulted from a deficiency in design and operation of internal control over financial reporting.

Since Mahoney Cohen served as our independent registered public accountants prior to the merger, FOH Holdings did discuss the merger with Mahoney Cohen. The discussions with Mahoney Cohen, however, were not a condition of the merger or a condition of engaging Mahoney Cohen as our independent registered public accounting firm. Additionally, FOH Holdings has not consulted with Mahoney Cohen during the two most recent fiscal years ended July 28, 2007 and July 29, 2006 and through the date of the engagement of Mahoney Cohen, regarding either (i) the application of accounting principles to any specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on our financial statements, and neither a written report was provided to us nor oral advice was provided that Mahoney Cohen concluded was an important factor considered by us in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement (as defined in Item 304(a)(1)(iv) of Regulation S-K and the related instruction to Item 304 of Regulation S-K) or a “reportable event” (as described in Item 304(a)(1)(v) of Regulation S-K).

Information Regarding the Resignation of Mahoney Cohen. In connection with the audit of our consolidated financial statements for the fiscal year ended July 26, 2008 and through the date of the engagement of MHM, there were (i) no disagreements between us and Mahoney Cohen on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which disagreements, if not resolved to the satisfaction of Mahoney Cohen, would have caused Mahoney Cohen to make reference to the subject matter of the disagreement in their report on our financial statements for such year or for any reporting period since our last fiscal year end and (ii) no reportable events within the meaning set forth in Item 304(a)(1)(v) of Regulation S-K.

The audit report of Mahoney Cohen on our consolidated financial statements as of and for the year ended July 26, 2008 did not contain an adverse opinion or a disclaimer of opinion, and was not qualified or modified as to uncertainty, audit scope or accounting principles.

During our fiscal year ended July 26, 2008 and through the date of the engagement of MHM, we did not consult with MHM regarding any of the matters or reportable events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

Compensation Arrangements for Executive Officers

Peter Cole

On April 9, 2007, we entered into a consulting agreement with Performance Enhancement Partners, LLC, pursuant to which Performance Enhancement Partners provides us with the personal services of Peter Cole to serve as our Executive Chairman. The consulting agreement expired on July 26, 2008 and we exercised our option to extend the consulting agreement until January 26, 2009. The agreement originally provided us with an option to extend the consulting agreement for a second six-month period from January 27, 2009 through July 25, 2009 upon 90 days' prior written notice. On October 22, 2008, we amended the consulting agreement to extend the agreement for an additional six-month period from January 27, 2009 to July 25, 2009 unless earlier terminated upon 30 days' prior written notice. Pursuant to the consulting agreement, as amended, Performance Enhancement Partners receives a consulting fee at the annual rate of \$400,000, payable in four equal quarterly installments in arrears. For the fiscal year ended July 26, 2008, Performance Enhancement Partners received an additional consulting fee of \$100,000. Mr. Cole is required to devote substantially all of his business time, energies and attention to our business and affairs in the performance of his duties under the consulting agreement.

On January 28, 2008, the closing date of the merger, we (i) issued to Performance Enhancement Partners 50,000 shares of our common stock under the 2000 Performance Equity Plan and (ii) granted to Performance Enhancement Partners a five-year non-qualified option to purchase 137,500 shares of our common stock under the 2000 Performance Equity Plan at an exercise price equal to \$3.10 per share, the last sale price of our common stock on the closing date of the merger. 87,500 of the shares underlying the option vested on the date of grant and 50,000 shares vested on July 26, 2008. On July 28, 2008, the commencement date of the first extension period, we granted to Performance Enhancement Partners under the 2000 Performance Equity Plan a five-year non-qualified option to purchase 25,000 shares of our common stock at an exercise price of \$0.96 per share, the last sale price of our common stock on the date of grant, which vested on the six-month anniversary of the date of grant. In connection with the amendment to extend the consulting agreement for a second six-month period until July 25, 2009, on January 27, 2009 (the commencement date of the second extension period), we granted Performance Enhancement Partners an option to purchase 25,000 shares of our common stock at an exercise price equal to \$0.37 per share, the last sale price of our common stock on the date of grant. These shares will vest in six equal monthly installments commencing on the one-month anniversary of the commencement date of the second extension period.

If the consulting agreement is terminated for any reason during the second extension period, we will pay to Performance Enhancement Partners the consulting fee through the date of termination. Additionally, any portion of an option granted that has not vested on the date of termination shall immediately expire.

Thomas Lynch

On January 29, 2009, we entered into an employment agreement with Thomas Lynch, which provides for Mr. Lynch to be employed as our Chief Executive Officer for a two year term which commenced on January 2, 2009 until January 2, 2011 at a base salary of \$600,000 per year. Pursuant to the terms of the employment agreement, in addition to his base salary, Mr. Lynch is eligible to receive, for the fiscal years ending July 31, 2010 and July 30, 2011, an annual performance bonus equal to 65% of his base salary based on achieving certain targeted performance goals determined by the compensation committee after consultation with him. The bonus for the fiscal year ending July 31, 2011 will be prorated for the partial year. No performance bonus will be paid to Mr. Lynch for the fiscal year ending July 25, 2009.

In addition to his base salary, on January 29, 2009, we granted Mr. Lynch a ten-year, non-qualified option to purchase 360,000 shares of common stock under our 1988 Non-Qualified Stock Option Plan at an exercise price of \$0.38 per share. 120,000 option shares are immediately exercisable and 120,000 shares will vest on each of January 2, 2010 and 2011.

Additionally, on January 29, 2009, we issued Mr. Lynch 100,000 shares of restricted stock. 50,000 shares will vest on January 2, 2010, provided that Mr. Lynch is employed by us and that he has purchased an aggregate of 250,000 shares of common stock in the open market in accordance with the terms of a 10b5-1 trading plan to be entered into by Mr. Lynch during the first open window period that such plan can be entered into in accordance with the terms of our insider trading policy (the "stock purchase"). If Mr. Lynch does not complete the stock purchase by January 2, 2010, then the 50,000 shares will not vest on such date; however, all 100,000 shares will vest on January 2, 2011 provided that Mr. Lynch is employed by us and has completed the stock purchase by such date.

The employment agreement provides that if, during the employment term, we terminate Mr. Lynch without “cause” or he terminates his employment for “good reason” (as such terms are defined in the employment agreement), we will be required to pay to him (i) his base salary for (a) four months from the date of termination if such date is prior to July 2, 2009, (b) six months from the date of termination if such date is between July 2, 2009 and January 2, 2010 or (c) eight months from the date of termination if such date is after January 2, 2010 and prior to the end of the employment term and (ii) his annual performance bonus, pro-rated to the date of termination. In addition, the portion of the stock option that would otherwise have vested within the one-year period following termination will immediately vest and the restricted stock would continue to vest as scheduled, provided that the stock purchase requirement is met.

Mr. Lynch’s employment agreement also provides for us to pay the premiums on a life insurance policy for him providing a death benefit of \$1,500,000 to Mr. Lynch’s designated beneficiary and a disability insurance policy for Mr. Lynch providing a non-taxable benefit of at least \$10,000 per month payable to Mr. Lynch in the event of his disability. Pursuant to the terms of the employment agreement, upon the completion of the merger, Mr. Rende received a bonus equal to (a) \$75,000 in cash and (b) 24,194 shares of common stock, which represents \$75,000 divided by \$3.10, the last sale price of a share of our common stock on the closing date of the merger. Mr. Rende is also eligible to receive, for the fiscal years ending July 26, 2008, July 25, 2009 and July 31, 2010, an annual performance bonus equal to 35% of his base salary based on achieving certain targeted performance goals determined by the compensation committee after consultation with him. The bonus for the fiscal year ending July 31, 2010 will be prorated for the partial year. The fair value generated by the Black-Scholes model may not be indicative of the future benefit, if any, that may be received by the holder.
- We account for our stock-based employee compensation arrangements under SFAS No. 123(R), which requires companies to recognize the cost of employee services received in exchange for awards of equity instruments, based on the grant date fair value of those awards, in the financial statements.

Potential Termination or Change of Control Payments

Each of our named executive officers has an employment or consulting agreement with us that provides for the following potential payments in the event of their termination. All such payments will be paid in accordance with our normal payroll procedures. Of the named executive officers, only Linda LoRe's employment agreement contains a change of control provision.

Peter Cole

Payment Upon Termination For Any Reason. If the consulting agreement, as amended, with Performance Enhancement Partners is terminated for any reason, Performance Enhancement Partners, or its designated beneficiary, as the case may be, will be entitled to receive the consulting fee through the date of termination and all valid expense reimbursements. In addition, any portion of an option granted during the second extension period that has not vested on the date of termination shall immediately expire.

Thomas Rende

Payment Upon Death or Disability. In the event of death or termination due to "disability" (as defined in his employment agreement), Mr. Rende, or his designated beneficiary, as the case may be, will be entitled to receive:

- base salary through the date of death or disability;

- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of months worked during the fiscal year of termination;
- all valid business expense reimbursements; and
- all accrued but unused vacation pay.

In addition, in the case of death, his beneficiary will be entitled to receive proceeds from a company-paid life insurance policy provided to him in his name. We also maintain a long-term disability insurance policy for Mr. Rende, which will provide a non-taxable benefit of at least \$7,500 per month, payable to him.

Payment Upon Involuntary Termination Without Cause or Resignation for Good Reason. If Mr. Rende terminates his employment for “good reason” (as defined in his employment agreement) or is terminated by us without “cause” (as defined in his employment agreement), or if we do not continue his employment at the end of the employment term upon substantially similar terms, he will be entitled to receive the following:

- base salary through the end of the employment term (December 31, 2009);
- the sum of \$250,000, payable in equal installments so that the entire amount will be received by March 15th of the calendar year following the date of termination;
- any non-equity incentive compensation that would have become payable to him through the end of the employment term;
- life, disability and health insurance benefits through the end of the employment term;
- continuation of medical coverage for one year after the end of the employment term;

- any non-equity incentive compensation that would have become payable for the year in which the employment was terminated, pro-rated for the number of days worked during the fiscal year of termination;
- company-paid continuation of medical coverage for eighteen months after the termination date;

Payment Upon a Change in Control. If there is a “change in control” (as defined in her employment agreement) during the employment term and Ms. LoRe terminates her employment for “good reason” or is terminated without “cause” within eighteen months following the change in control, she will be entitled to receive what she would have been entitled to receive upon a termination for good reason or without cause as described above, except that she would be entitled to receive an amount equal to 1.75 times her base salary instead of 1.25 times her base salary, plus a bonus equal to the targeted performance bonus in effect on the date of termination. In addition, all outstanding stock options, restricted stock and other equity awards under any of our equity incentive plans will immediately vest and become fully exercisable.

Compensation Plans

Non-Equity Compensation Plan

1998 Senior Executive Incentive Plan

In September 1998, our compensation committee adopted an incentive compensation plan. Under the 1998 Senior Executive Incentive Plan, as amended, the compensation committee has the discretion to award bonus compensation to senior executives in an amount not to exceed 6.75% of any excess pre-tax income over the base amount of \$1,200,000. No awards were made under the plan to our named executive officers for fiscal year 2008.

Equity Compensation Plans

Employee Stock Ownership Plan

Effective December 31, 2007, we terminated our Employee Stock Ownership and Capital Accumulation Plan ("Employee Stock Plan"). As of March 6, 2009, there were 342 participants who were entitled to receive an aggregate of 84,053 shares of our common stock.

1994 Incentive Stock Option Plan

In 1994, we adopted an Incentive Stock Option Plan. Our shareholders approved the 1994 Plan on December 8, 1994. The purpose of the 1994 Plan was to enable us to attract and retain key employees by providing them with an opportunity to participate in our ownership. The compensation committee makes awards under the 1994 Plan. The 1994 Plan was intended to comply with Section 422A of the Internal Revenue Code of 1986, as amended. All options were granted at market value as determined by reference to the price of shares of our common stock on the NYSE Alternext US. Effective July 15, 2004, options can no longer be granted under the 1994 Plan. As of March 6, 2009, there were no options outstanding under the 1994 Plan.

Amended and Restated 1988 Non-Qualified Stock Option Plan

On December 13, 1988, our shareholders approved the 1988 Non-Qualified Stock Option Plan covering up to 833,333 shares of common stock to provide an additional continuing form of long-term incentive to selected officers. On September 19, 2006, our board of directors approved the Amended and Restated 1988 Non-Qualified Stock Option Plan, which (i) increased the time period in which an employee terminated for any reason other than death or disability has to exercise the portion of the option which is exercisable on the date of termination from 30 days to 90 days following the date of termination; (ii) provides for continued exercisability of options after termination in the discretion of the compensation committee as set forth in the stock option agreement at the time of grant; (iii) increased the time period in which an employee terminated due to disability has to exercise the option from 180 days to one year from the date of termination; and (iv) increased the time period in which the legal representative or legatee under the will of an employee who dies within 90 days (instead of 30 days) after the date of termination of employment or while employed by us or a subsidiary has to exercise the decedent employee's option from 180 days to one year from the date of death. Unless terminated by the board, the 1988 Plan shall remain effective until no further options may be granted and all options granted under the 1988 Plan are no longer outstanding. During fiscal year 2008, no options were granted to our employees under the 1988 Non-Qualified Stock Option Plan and 350,000 options were granted to our employees during fiscal year 2007. On January 29, 2009, we granted an option to purchase 360,000 shares of common stock under the 1988 Plan to our Chief Executive Officer at an exercise price of \$0.38 per share. 120,000 shares are immediately exercisable and 120,000 shares will vest on each of January 2, 2010 and 2011. As of March 6, 2009, there were options outstanding to purchase 772,500 shares, exercisable at prices ranging from \$0.38 per share to \$2.90 per share of our common stock at a weighted average exercise price of \$1.32 per share.

Amended and Restated 2000 Performance Equity Plan

On February 22, 2000, the board of directors adopted the 2000 Performance Equity Plan covering 375,000 shares of common stock under which our officers, directors, key employees and consultants are eligible to receive incentive or non-qualified stock options, stock appreciation rights, restricted stock awards, deferred stock, stock reload options and other stock based awards. Shareholders approved the 2000 Performance Equity Plan on November 28, 2000. On January 23, 2008, our shareholders approved the Amended and Restated 2000 Performance Equity Plan, which increased the number of shares of our common stock available for issuance under the plan from 375,000 shares to 2,000,000 shares, added a 500,000 share limit on grants to any individual in any one calendar year in order for the plan to comply with Section 162(m) of the Internal Revenue Code and made other changes to comply with Section 409A of the Internal Revenue Code. The Amended and Restated 2000 Performance Equity Plan will terminate when no further awards may be granted and awards granted are no longer outstanding, provided that incentive options may only be granted until February 21, 2010. To the extent permitted under the provisions of the 2000 Performance Equity Plan, the compensation committee has authority to determine the selection of participants, allotment of shares, price and other conditions of awards. During fiscal years 2008 and 2007, 491,250 and 27,500 options, respectively, were granted to our employees under the 2000 Performance Equity Plan, and 127,500 options have been granted to our employees under the 2000 Performance Equity Plan subsequent to the end of fiscal year 2008. As of March 6, 2009, there were options outstanding to purchase an aggregate of 784,250 shares, exercisable at prices ranging from \$0.17 per share to \$3.10 per share of our common stock at a weighted average exercise price of \$2.35 per share.

During the year ended July 26, 2008, we issued, pursuant to the 2000 Performance Equity Plan, 24,194 fully vested shares of common stock to our Chief Financial Officer and 50,000 shares to our Executive Chairman at a price of \$3.10 per share. On July 1, 2008 and 2007, we also issued 17,483 and 4,808 shares of restricted stock, respectively, under the 2000 Performance Equity Plan to the Chief Executive Officer of the wholesale division. These shares vested on February 13, 2009. On January 29, 2009, we issued, pursuant to the 2000 Performance Equity Plan, 100,000 shares of restricted stock to our Chief Executive Officer. 50,000 shares vest on each of January 2, 2010 and 2011, subject to certain conditions.

Our Non-Employee Director Compensation Plan provides that each non-employee director may elect to receive the annual stipend and meeting fees in cash and/or shares of our common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. As of July 26, 2008, an aggregate of 104,790 shares of common stock have been issued to non-employee directors under the 2000 Performance Equity Plan.

Amended and Restated 2003 Employee Equity Incentive Plan

FOH Holdings adopted the 2003 Employee Equity Incentive Plan on December 1, 2003. The plan authorized FOH Holdings to issue incentive or nonqualified stock options to its employees and officers. The plan was amended and restated as of December 1, 2006, primarily to increase the number of shares covered under the plan and to permit the issuance of nonqualified stock options to independent directors. Unless previously terminated by the board, the 2003 plan will terminate on November 30, 2010 and no options may be granted under the 2003 plan after that date, but such termination will not affect any rights under an option already granted to a holder. On January 28, 2008, upon the consummation of the merger, the 2003 plan and underlying options were assumed by us. As of March 6, 2009, there were options outstanding to purchase an aggregate of 975,974 shares, exercisable at prices ranging from \$1.12 per share to \$4.52 per share of our common stock at a weighted average exercise price of \$2.38 per share. No additional grants may be made under the 2003 Plan.

Compensation Arrangements for Directors

We pay our non-employee directors in accordance with the terms of our Non-Employee Director Compensation Plan, which was adopted by the board of directors of Movie Star, Inc. in December 2004 and became effective on January 1, 2005. Under the plan, each non-employee director receives (i) an annual stipend of \$20,000, payable quarterly in arrears, (ii) \$2,000 per day for board or committee meetings attended in person, regardless of the number of meetings held that day and (iii) \$1,000 per meeting for board or committee meetings attended telephonically, unless two or more teleconference call meetings are held back-to-back on the same call, in which case each non-employee director will receive \$1,000 for the entire call. Payment of the annual stipend and meeting fees are made, at the election of each non-employee director, in cash and/or shares of common stock under our 2000 Performance Equity Plan in such proportion as is determined by each non-employee director. If a non-employee director elects to be paid in stock, either in full or in part, the number of shares of common stock to be issued is

determined by dividing the dollar amount of the stipend and meeting fees earned during the quarter (or a percentage thereof, if the non-employee director elects to receive stock payment in part) by the last sale price of our common stock on the last trading day of each calendar quarter in which the fees were earned.

We also pay or reimburse each non-employee director for all transportation, hotel and other expenses reasonably incurred by the non-employee director in connection with attendance at board and committee meetings against itemized reports and receipts submitted with respect to any such expenses and approved in accordance with our customary procedures.

It was anticipated that, following the closing of the merger, the Non-Employee Director Compensation Plan would be amended to, among other things, increase the annual stipend, provide additional annual stipends for committee chairpersons, revise the per meeting compensation fees and provide for a stock option grant. However, due to the current economic conditions, the board determined to forego any increases in their compensation and maintain the current structure of the plan as described above.

The following table summarizes the compensation of our non-employee directors for the fiscal year ended July 26, 2008. Directors who are employees of or consultants to our company do not receive separate compensation for their service as a director.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our officers, directors and persons who beneficially own more than ten percent of our common stock to file reports of ownership and changes in ownership with the SEC. These reporting persons are also required to furnish us with copies of all Section 16(a) forms they file. To our knowledge, based solely on the review of the copies of these forms furnished to us and representations that no other reports were required, all Section 16(a) reporting requirements were complied with during the fiscal year ended July 26, 2008.

Certain Relationships and Related Transactions

Related Party Policy

Our Code of Ethics requires us to avoid, wherever possible, all related party transactions that could result in actual or potential conflicts of interest, except under guidelines approved by the board of directors (or the audit committee). Related party transactions are defined under SEC rules as transactions in which (1) the aggregate amount involved will or may be expected to exceed \$120,000 in any calendar year, (2) we or any of our subsidiaries is a participant, and (3) any related party, which includes (a) an executive officer, director or nominee for election as a director, (b) a greater than 5 percent beneficial owner of our common stock, or (c) an immediate family member of the persons referred to in clauses (a) and (b), has or will have a direct or indirect material interest. A conflict of interest situation can arise when a person takes actions or has interests that may make it difficult to perform his or her work objectively and effectively. Conflicts of interest may also arise if a person, or a member of his or her family, receives improper personal benefits as a result of his or her position.

Our audit committee, pursuant to its written charter, is responsible for reviewing and approving related-party transactions to the extent we enter into such transactions. The audit committee will consider all relevant factors when determining whether to approve a related party transaction, including whether the related party transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. No director may participate in the approval of any transaction in which he or she is a related party, but that director is required to provide the audit committee with all material information concerning the transaction. Additionally, we require each of our directors and executive officers to complete a directors' and officers' questionnaire on an annual basis that elicits information about related party transactions. These procedures are intended to determine whether any such related party transaction impairs the independence of a director or presents a conflict of interest on the part of a director, employee or officer.

In addition, our amended and restated bylaws provide for a 75% supermajority approval requirement in connection with important corporate decisions until July 28, 2009 (18 months after the consummation of the merger), including transactions with our officers, directors and shareholders.

Related Party Transactions

On January 28, 2008, the closing date of the merger, we entered into an escrow agreement with designated representatives of the FOH Holdings stockholders providing for the deposit into escrow of 2,368,916 shares of common stock (representing 20% of the shares of common stock issued to the FOH Holdings stockholders in the merger) for 18 months following the closing of the merger, subject to extension under certain circumstances, to cover any indemnification claims that we may bring for certain matters, including breaches of FOH Holdings' covenants, representations and warranties in the merger agreement. Similarly, 618,283 treasury shares of our common stock (representing 7.5% of the aggregate number of issued and outstanding shares of common stock immediately prior to the closing of the merger) was deposited into escrow for 18 months following the closing of the merger, subject to certain conditions, to cover any indemnification claims that may be brought by the FOH Holdings stockholders against us.
